

Songs for smiling

There's no reason to worry when you visit the dentist's office. The dentist and dental hygienist are super friendly. They know just what to do to make you feel comfortable. Your checkup can even be fun! You may be able to watch TV or listen to music while in the dental chair.

Before your next trip to the dentist, ask a grown-up if you can bring your own music. Or think about your favorite songs and sing them in your head. Scout is sharing a playlist of songs llamas like. Use the blanks below to make a list of your favorite songs.
