# Track your lost teeth

When you lose a tooth, color it on your Tooth Tracker. Then write down details like your age and where you lost the tooth.

Lost tooth details:

Upper

Lost tooth details:

Lower

Lost tooth details:

Get outta here! Your baby teeth fall out because your adult teeth push them out.

Oh, baby! That's a lot of teeth. You have **20 baby teeth** but you will have **32 adult teeth!**
