My First Eye Exam Adventure!

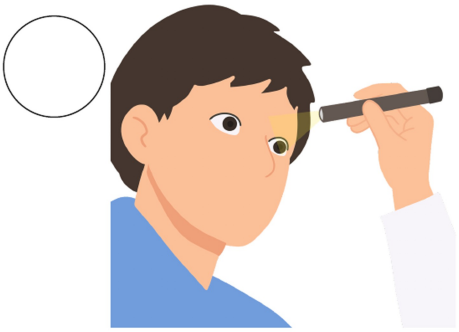

What happens during an eye exam? An eye doctor checks how well you can see and makes sure your eyes are healthy. Eye exams can be fun and help us take care of our vision!

Ready to explore? Follow the eye exam adventure and discover what happens at the eye doctor's office!

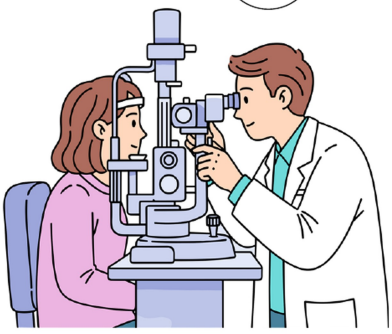

Your Mission: The steps of an eye exam are all mixed up! Look at the pictures and number them from 1 to 5 to put them in the correct order.

Say Hello to the Eye Doctor!
Meet your eye doctor and answer a few questions about your eyes and how well you can see.

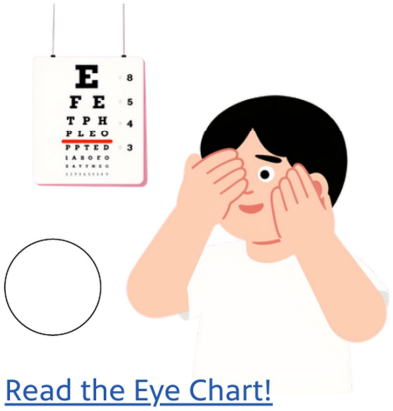

Shine a Little Light!
The doctor uses a special light to look at your eyes and check that they are healthy.

Follow the Moving Object!
Follow a small object with your eyes while the doctor checks how your eyes move and work together.

All Done!
The doctor talks about your eye health and tells you if you need glasses or any other care.

Read the Eye Chart!
Look at letters, numbers, or pictures on a chart to check how clearly you can see.
